

WORLD OUTREACH STRATEGY

Biblical Support for Valley's Strategy

Acts 1:8 gives us the scope:
Be witnesses to the ends of the earth.

Matthew 28:19-20 gives us the goal:
Reach all nations (ethnic groups).

Revelation 7:9-10 gives us the result:
Some from every tribe praising God.

Valley's Six Outreach Priorities

Priority 1: Global Church Planting

New Christians and new churches spread the Gospel the fastest. Reaching Muslims is our priority.

Priority 2: Training National Church Leaders

About 85 percent of churches around the world lack trained leaders. They are the missionaries of the future.

Priority 3: Justice and Kids at Risk

Serving the poor and the marginalized opens Gospel doors.

Priority 4: Regional Outreach

We support our local communities with urban work and regional campus ministries.

Priority 5: Mobilizing Valley in Avon, Bristol, and Simsbury

Attendees serve on short-term mission trips and engage in World Outreach Week.

Priority 6: Global Initiatives and Member Ministries

Responding to unforeseen needs and humanitarian crises, as well as Kingdom work done by members of the Valley family.
